

HELP YOUR FELLOW SOLDIERS AND VETERANS

If you or a loved were injured while in the military, and/or served in OIF/OEF, we would like to talk to you about your health care needs.

If you or someone you know is interested in joining the Natural History Research Study, please call 866-583-8242 or email natural.history2@dvbic.org.

Purpose: Conduct a study requested by Congress on the health care needs of service members and veterans. You can participate from the comfort of your own home.

Benefits: Contribute to knowledge that could improve the health care provided to you and your fellow service members and veterans. Inform Congress of your health care needs.

Time commitment: 1 1/2 to 2 1/2 hours once a year. Voluntary participation for up to 15 years.

Walter Reed National Military Medical Center, Bethesda

IRBNet# 353853

IRB Approval Date: 9 July 2012

IRB Expiration Date: 16 May 2013

You may receive compensation for your participation.

Principal Investigator: Dr. Louis French, Department of Orthopedics & Rehabilitation

Project Title: Exploring the Natural History of Traumatic Brain Injury Within a Military Cohort
